Illinois 133 Lane Closures Scheduled in Douglas County

PARIS – The Illinois Department of Transportation announces box culvert replacement work beginning Thursday, June 15, on Illinois 133 approximately four miles east of Arcola and will run through August 31, 2017.

Illinois 133 will be reduced to one lane during much of the project. Motorists can expect delays and should allow extra time for traveling through this area. To avoid the work area, when feasible, use of alternate routes should be considered.

Additionally, Illinois 133 will be closed to through traffic between Illinois 130 and Interstate 57, from 6 a.m. Monday, June 19, to 3:30 p.m. Friday, June 23. Traffic will be detoured to U.S. 36 during this closure.

Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, restrain from using mobile devices and be alert for workers and equipment.
